Environmental Economics Workshop

Call for Registration and Submissions

Thursday 4 and Friday 5 February 2027

ÖkoHaus Frankfurt, Kasseler Str. 1a, 60486 Frankfurt am Main

We invite registration and submission of contributions to the Environmental Economics Workshop at Goethe University Frankfurt. The workshop aims to bring together experts from Frankfurt, Darmstadt, Mainz, and the wider region to discuss current research in environmental economics, exchange ideas, and build connections across institutions.

The program will include short presentations for concise introductions to research and longer presentations allowing more detailed discussion. Both formats are open to researchers at all career stages. Submissions by PhD students and Postdocs are particularly encouraged.

Participants are welcome to attend without presenting or to submit a paper or extended abstract for presentation. We welcome research at different stages of development, including work in progress.

Register to participate

Please register via this link: LINK, providing your name, institutional affiliation, email address, and any dietary requirements. No paper submission is required to attend.

Submit a paper or extended abstract

To be considered for a presentation, please submit a paper or extended abstract in PDF format by **30.11.2026** via this link: LINK.

Please include the title, author names and affiliations, and the name and email address of the presenting author. Extended abstracts should outline the research question, approach, and main or expected findings.

Presentation slots will be allocated based on submissions and programme capacity. Applicants will be notified by 31.12.2026. Please also complete the registration as a participant.

Contact

For questions, please contact Prof. Dr. Manuel Linsenmeier: linsenmeier@c3s.uni-frankfurt.de.

Please share this call with colleagues who may be interested.
